CHINQUAPIN FARM is located directly on Highway 90, one mile east of Ocean Springs, Mississippi, between Mobile and New Orleans. The nursery is located on both sides of the new Highway 90, while the sales lot is located on the north side of the highway.

We are open daily except Sunday, from 8 to 5, and during January, February and March will be open Sundays from 1 till 5.

TERMS AND PRICES

Our prices are net, unless otherwise noted, cash with order. No C.O.D. shipments. **Crating for shipments is without charge.** Unless otherwise directed all shipments will be made via Railway Express, collect, and our responsibility ceases when shipment is turned over to carrier.

Prices listed are for shipment as above or picked up at farm. When larger specimen plants are selected by us or particularly outstanding plants are selected by the customer in our fields they will be priced according to individual character.

GUARANTEE

All of our plants are guaranteed to be true to name, well rooted and free from disease when they leave our farm. Since we have no control over the growing conditions after the plants leave us we cannot guarantee them to live. That depends upon the knowledge and skill of the purchaser.

Any claims for error must be made within ten days after receipt of plants. We are more than glad to correct any mistakes, should they occur, but in no instance will our liability be more than the original purchase price of the plants.

FIELD GROWN GRAFTS

Unless otherwise noted all of the plants listed are field grown, grafted on 6 to 8 year understock. Numeral following varietal name indicates whether 1, 2 or 3 year grafts are available in that particular variety.
